30-2-50-EB-2-60 with the allowance commensurate with his technical qualification. Such an allowance cannot it seems be given to him as he is in excess in the office to the sanctioned number of typists. And yet he is asked to do typing work. The fair thing in these circumstances would be either to transfer him to some one of the offices which want typists, where he can get the grade and the allowance; or to obtain govt. sanction to increase the cadre in the R. D. office of the typists by one, should the work justify the increase, when also the same object would be achieved.

Sir,

Confirmation of

In continuation reference

to Govt No 10398-400 VP20-46-10

dated 23rd Jany 47, fixing

Sri. Hubleerao on Rs 46/- in

grade Rs 40-2-50 in the Rural

Development office, Bangalore

I am directed to state

that since the official

is a qualified stenographer, he

ought to be in the grade Rs 30-2-50-2-60 as per Rule

issued. As the establishment sanctioned for your office

does not provide for the post of a Stenographer in the office

he will have to be shifted to some other office which wants a typist

If his work entailed in your office it can be only short

a shorthand vacancy

it is suggested that he

may if necessary, be

appointed in a stenographer

vacancy so that he may

be eligible for car allowance

I have etc
